

# DELRAN TOWNSHIP SCHOOL DISTRICT

52 Hartford Rd., Delran NJ, 08075

"dedicated to nurturing a supportive, student-centered environment where all people are treated with dignity and respect"

Due to an ongoing shortage of bus drivers and cost-prohibitive prices for bussing services, the Delran Board of Education is unable to provide student transportation to and from several "away" games this school year. We are asking parents who are willing to allow another parent to transport his or her child/ren to/from these games to complete and submit this form to the Director of Athletics (with respect to DHS activities) or the middle school principal (with respect to DMS activities) at least twenty-four (24) hours prior to the game(s) to which the student(s) will be driven. If a team is unable to field sufficient players for any game and rescheduling is not possible, the team will likely be forced to forfeit.

By signing this form, the parent/guardian agrees to allow another parent/guardian to transport his or her child/ren to any Fall 2022 season games.

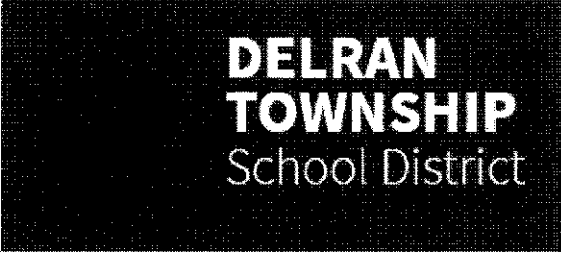

By signing this form, the parent/guardian who is allowing another parent/guardian to transport his or her child/ren agrees to hold harmless and indemnify the Delran Township Board of Education, its members, administrators, employees and representatives, and driver of the vehicle, from any and all claims and damages arising out of or in any way related to the driver's operation of the vehicle or transportation of students to or from school-related events.
